

*Daniel comes to us from the LGBT charity Switchboard in Brighton, where he has been in the role of CEO for the last two years. During this time he worked with the charity to set up a new group for LGBT disabled people. Prior to this he has experience of being a manager in both the charity and public sector. From a charity perspective he worked closely setting up the West Sussex Parent Carer Forum and the West Sussex Disabled Young Persons Forum. In addition to this he worked as the Commissioning Manager for Special Education Needs and Disability in West Sussex where he worked alongside disabled people in setting up 'Understand Me' a communication aid loan scheme and joined a group of disabled people in lobbying for and improving hoist assisted toilet provision in West Sussex.*

*Outside of work Daniel enjoys running (occasionally), long country walks with his partner, travelling, cinema, cooking and good wine! He will be moving from Brighton to Bristol to take up this new role and is looking forward to joining the team.*
