OBJECTIVES AND ACTIVITIES OF THE CHARITY

Objectives and aims

Paul's Place objects, as set out in the Articles of Association are:

"To provide education, life-skills, sports, social, recreational activities plus accommodation, together with practical support and advice for physically, sensory, and cognitively disabled adults, and their carers in South Gloucestershire and the surrounding counties."

To meet these objects Paul's Place provides a range of support services that benefit physically disabled adults and those with cognitive and sensory impairment. Our main service Paul's Place Daily is the provision of day care that helps support local government in the provision of day care which is a statutory duty. This day care is funded by local authority or health contracts or spot purchase, direct payments or those individually funding.

Over three decades Paul's Place has developed several projects and services which include:

Paul's Place Daily – runs Monday to Friday (10am-4pm) throughout the year. Based in Coalpit Health South Gloucestershire, we provide a programme of daily activities that support adults with physical, cognitive, and sensory impairments.

Paul's Place Social – is our popular evening programme. Throughout the year we run several nights out, including trips to the pub, restaurants, cinema, theatre, and bowling to name a few.

Paul's Place Short Breaks – offer people the opportunity for a holiday or a short break throughout the year.

Paul's Place Boccia – our Boccia teams are run by disabled people, with the support of Paul's Place staff. We take our love of the sport into schools and colleges and teach students how to play.

Paul's Place Carers – offers carers the space to make connections with others, get support, as well as some 'time out' from caring responsibilities. We offer carers a range of activities throughout the year, including days out and an annual short break.

Paul's Place at Home – offers people the opportunity to interact with others virtually, and from the comfort of their own home, and feel part of the charity at the times when attending in person is a challenge. (Paul's Place at Home was created in April 2020 in response to COVID-19 and the need to support people virtually).

Vision / Mission / Values

Our vision is a world that embraces disability and includes everyone, ensuring that all people can live their life to the full.

We achieve this vision by making it our mission to enhance the lives of physically disabled adults, and those with cognitive and sensory impairment, supporting them to live life to the full. We do this through projects and activities that:

Paul's Place (South West) **(A Company Limited by Guarantee)**

Trustees' Report **For the Year Ended 31 March 2022**

- provide social activities that connect people, build friendships, reducing loneliness and isolation.
- encourage people to develop new skills and achieve independence.
- develop opportunities for people to improve their health and wellbeing.

Our values are important to us, and we ask everyone at Paul's Place to 'live out' these values:

Inclusive – we are inclusive and include everyone recognising that no two people are the same. We celebrate and promote the diversity of everyone.

Encouraging – we are encouraging and promote new opportunities and experiences that take people out of their comfort zone.

Empowering – we are empowering and believe that everyone has the right to 'choice and control' when it comes to their own lives.

Caring – we are caring in everything that we do and ensure that everyone is treated with dignity and respect.

Friendly – we are friendly with everyone and strive to ensure that there is an element of fun in all that we do.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The last twelve months have seen Paul's Place start our recovery from the pandemic. The winter lockdown of 2021 meant that we had to shut the day facility once again, but from 6th April 2021 it reopened and remained so for the whole twelve months of the year.

The reopening of the day service coincided with the vaccination roll out and continued restrictions and this meant that we delivered operations from two sites, our main home at Coalpit Heath and through the hire of Turnberries Community Centre in Thornberry.

Service user (Member) take up of the service grew over the 12 months with Members understandably anxious about returning to face-to-face contact with others. We managed this through continuing to provide a hybrid service combining Paul's Place at Home with Paul's Place Daily. Take up of the day service grew as Members had the vaccinations and we continued to adapt our service in accordance with public health guidelines. By March 2022, the charity was back to full capacity with most guidelines eased, meaning a sense of normality having returned to the organisation.

Outside of day care, other projects and services resumed at different stages throughout the year. The Boccia teams practiced throughout year with their first competition happening in March 2022, where we came away with three medals – a bronze, silver and gold, proof that a years' worth of practice paid off! The Paul's Place social programme started up again in the summer and Members have enjoyed the opportunity of seeing others socially and outside of the day facility.

We made the difficult decision at the start of 2021, after consultation with the Members, not to provide Short Break holidays for 2021. Despite this meaning that people would not have had a holiday for two years, there was not a huge appetite from Members to have a holiday and the changing guidelines made planning challenging. Instead, we provided a series of day trips over, what we affectionately named, a staycation month. Day trips included a day in Wells, the Westonbirt Arboretum, Bristol Harbourside, and a river cruise. Short Breaks return to the schedule as part of 2022/23.

Trustees' Report **For the Year Ended 31 March 2022**

A highlight of the year was our partnership with Yate Athletics Club, and we have provided inclusive athletic sessions throughout the year and seen many of our members benefit from this. People have learnt new sports as have all benefitted from getting more physically active. This project culminated with a Paul's Place Sports Day which saw Members showcase their newfound sporting achievements. New funding from The Postcode Lottery and We-Sport has meant that we have been able to employ a Sports Coordinator to continue this work into the next year.

Our carers project 'There to Care' continued to meet weekly virtually and become peer-led with different carers taking it in turns to host. As restrictions eased our carers began to meet once again face to face and we provided a number of carers days out over the summer months, these included a trip to Highgrove and a day at Westonbirt Arboretum.

Staffing was impacted throughout the year due to incidents of COVID-19 and struggling to appoint new Support Workers to the team as our capacity to deliver more grew. This meant that we had to work with agency staff and this additional cost was in part met by the COVID-19 grants given by the local authorities.

Contribution of Volunteers

The pandemic meant that we said goodbye to a number of long-standing volunteers in 2020/21 who made the decision not to continue volunteering with the charity. The creation of a Volunteer Coordinator role at the end of 2020 has meant a focus on recruiting and training new volunteers in the last month and seen us have more robust systems in place for managing our volunteers.

ACHIEVEMENT AND PERFORMANCE

Fundraising and Communications

Traditional fundraising continued to be impacted by the pandemic throughout 2021/22 and we had to adjust our plans for fundraising to reflect these changes and people's ability to give.

Additional COVID-19 funding of £56,730 was provided through the local authorities specifically to support day care providers in putting in place additional infection control measures and allowing cover for additional costs occurred due to staff being off with COVID-19 and flexibility needed for staff to have time off for vaccinations.

In terms of events, we started the year following the success of the 2.6 Challenge of 2020 with the Captain Tom Appeal in April. This raised £1,036 and involved people raising money on our behalf which included fundraising from our Patron Briony May Williams. Our first in person fundraiser was in September with a Celebrity Football Match organised by Darren (Daz) Simms and Patron Louis Carey. The event raised £1,160 and it felt good to be running an actual event again. The event year ended with the return of the Paul's Place Grand Charity Ball, back after a two-year hiatus. The Ball raised over £7,000 profit for the charity and meant that we met our events fundraising target for the year.

Community fundraising came in just under target at £11,171. Others continued to raise money for the charity, and this included, for the last time, the Almondsbury Christmas Light display raising an amazing £7,000 for us. Special thanks must be given to Graham and Sue Hawkes for their support to Paul's Place, every Christmas, for a number of years. Tyndall Lodge also donated £600 through charity luncheon. The charity also benefitted from countless people's birthday and wedding fundraisers on social media and collection tins and clothing banks contributions increased thanks to new volunteers taking on distribution and collection.

Corporate fundraising was down against budget, but we had funding from HomeSense, Nicholl Stevens, (referral fee) Acorn Health and Safety Ltd, and match funding from Gallaghers for Bromley Heath doorstep Santa.

An area of growth for the charity in the last twelve months has been in the area of trust and foundation fundraising. Having worked with consultant Lynn Stevens we have benefitted from grants and other

Paul's Place (South West) **(A Company Limited by Guarantee)**

Trustees' Report **For the Year Ended 31 March 2022**

funds for projects outside of day care which have included, £8,148 from Awards for All to support our socials programme, £5,000 from John James Trust towards our disabled people's voices project and £9,720 from Quartet to build capacity for user involvement. Grant funding for inclusive sports has meant that we have been able to fund a Sports Coordinator for 12 months and thanks must be given to Postcode Lottery for £14,877, We-sport £4,934 and Middlesex Sports Foundation for £2,000 all of this funding has gone towards our sports programme. £300 from Bradley Stoke Parish Council and £500 from Frampton Cottrell Parish Council meant that we could offer chair-based yoga sessions to our members.

Legacy funding benefitted legacies received in memory funding from John Rolfe, Emily Hyde, Margaret Marshall, and Clifford Stock.

Communication of the charity was a key focus of our fundraising and public relations for the year, and we saw growth in followers on all forms of social media. This has helped in to encourage others to raise money on behalf of the charity and, more essentially, helped us to describe to others the difference that Paul's Place makes to the lives of those we support and how other help enables us to help people to live life to the full.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Paul's Place (South West) is a company limited by guarantee. Incorporated on 23rd January 2018, it has no share capital and is a registered charity, the assets of Paul's Place (the previous unincorporated charity) moved over to Paul's Place (South West) on 1 January 2020. The organisation is governed by its Memorandum and Articles of Association, which establish its objects and powers. The Trustees may appoint honorary consultants and observers (non-voting) for specific tasks for a period of up to one-year, last year there were on honorary consultants or observers.

Public Benefit

The Trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission in determining the activities undertaken by the charity.

Financial Review

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Statement of Financial Activities (SOFA) shows the gross income from all sources and the split of activity between restricted and unrestricted funds.

Reserves Policy

Paul's Place (South West) unrestricted reserves represent the funds that are freely available to spend, arising from past operating results, legacies and donations.

Restricted funds fall outside the definition of reserves as these are funds that are given to Paul's Place (South West) for a specific purpose and as such are not to be used freely.

Paul's Place (South West) will invest its reserves appropriately in order to maintain current or future levels of income and protection of capital.

The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately four months of unrestricted charitable expenditure. The Trustees consider that this level will provide enough funds to respond to applications for grants and other income and to ensure that support and governance costs are covered. The Trustees consider that four months is a sufficient level, and the current level of reserve is therefore sufficient for the short term. As at 31 March 2022, the balance of unrestricted funds was £1,781,839 (2021 - £1,737,780) of which £1,219,692 (2021 - £1,158,911) are regarded as free reserves, after allowing for funds tied up in tangible fixed assets.

The Reserves policy is reviewed in line with other policies by the Board of Trustees.

For the Year ended 31 March 2022

1. Accounting policies

a) Basis of preparation of financial statements

1. Accounting policies (continued)

d) Income

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

For legacies, entitlement is taken as the earlier of the date on which either: the company is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Trust that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the company has been notified of the executor's intention to make a distribution. Where legacies have been notified to the company, or the company is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

Income from government and other grants is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met and the amount can be measured reliably.

Other income is recognised in the period in which it is receivable and to the extent the goods or services have been provided.

e) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

f) Tangible Fixed Assets and Depreciation

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost or valuation of fixed assets, less their estimated residual value, over their expected useful lives on the following basis.

Leasehold property	–	2% straight line
Freehold property	–	2% straight line
Furniture and fixtures	–	25% straight line
Minibus	–	20% straight line
